Dear Friend of the **Maddie Potts Foundation**,

The **Maddie Potts Foundation**, a 501(c)3 nonprofit organization, is proud to present the 2nd annual **Maddie Potts Foundation Day of Golf**. The foundation is seeking support from companies and individuals to become sponsors and/or to provide items for our raffle. We also extend an invitation to you, your colleagues, and your friends to assemble teams of 4 golfers or to participate as an individual at this exciting event.

Continuing to grow upon last year's event, we are expecting an incredible day of golf, prizes, fun, food, and drinks. **The Maddie Potts Foundation Day of Golf** will be held on **Saturday, June 19, 2021**, at **Richmond Country Club**, Richmond, RI. The Day of Golf will commence at 7:00 AM with scheduled T times on the front and back nine and then additional T times scheduled from 12:30 to 3:00 PM starting on the 1st T. Our goal is to register 196 golfers. The format is a 4-person scramble with three divisions (men's, women's, and mixed). The price per golfer is \$160.00, which includes a dozen Titleist PRO V-1 balls, 18 holes of golf, a cart, a variety of food and beverages while on the course, a raffle, silent auction by Stevie B Sports Memorabilia, and a Texas BBQ. Golfers must be at least 21 years of age to participate. A \$160 deposit is required to reserve a foursome spot, and registrations will be accepted on a first-come, first-served basis beginning **April 1, 2021**.

The Maddie Potts Foundation was established in November of 2017 after the loss of our 17-year-old daughter from an unknown brain aneurysm while she was preparing to take a free kick in her senior soccer season. Our mission is to continue her legacy of kindness, compassion, hard work, inclusive leadership, and perseverance, aka Maddie Mentality®. Annually, the Foundation gives back to the community by sponsoring three \$1,100 scholarships to Chariho seniors and a \$1,100 contribution to Chariho Unified Athletics. On April 11, 2021, construction on the \$750,000.00, 3000+ square-foot Maddie Potts Memorial Field House on the Chariho High School Campus will begin. This will include a home locker room, indoor bathroom facilities for spectators and athletes, an athletic training room, a private officials room, an upgraded concession stand, and a large central "Maddie Mentality" atrium in hopes of hosting small community events in addition to regularly scheduled Chariho athletic games. We also plan to enhance opportunities for spectators with disabilities to have an easily accessible elevated view of all activities at the Chariho stadium. This has a current estimated cost of \$750,000.00, and we are hopeful to have this field house completed by September 2021.

Additionally, we are working with the **Positive Coaching Alliance** to improve coaching and sportsmanship among athletes, parents, and coaches. We strive to have a positive influence on the lives of individuals participating in all levels of athletics. When coaches, athletes, and parents all have the same core values, everyone wins.
